

Kainebe Osahenye

A Solo Exhibition

O'DA Art Gallery is honoured to present an exhibition of recent and timeless works by leading visual artist, Kainebe Osahenye. Displaying various compositions of abstraction and figurative work, the exhibition shed light on Osahenye's bold and energetic painterly technique; exploring the intricacies of human identity, sensuality and faith.

With a selection of 20 paintings, the exhibition will present a dialogue between works of different dimensions produced between 2001 and 2021. We invite you to view Osahenye's work in its entirety.

We look forward to welcoming you to our gallery.
